

## Model Essay for Q3 – Game Addiction

### Analysis of HFPTA's Proposal for Limitation of Gameplay Hours for Minors

#### Introduction

The Hork Federations of Parent-Teacher Associations (HFPTA) has recently sent a letter to the Secretary for Education highlighting the growing issue of video and mobile game addiction among youth. As part of their proposed solutions, they recommend a limitation on video and mobile gameplay hours for individuals under the age of 18. At the same time, worries about the potential impacts of such a policy have been expressed by the gaming industry.

This report will critically examine the HFPTA's proposal and provide a suggestion on whether the government of Hork should adopt the HFPTA's proposal.
